Dear Friend,

Thank you for your interest in Boston Harbor Now's annual Spectacle on Spectacle 2020 on Thursday, June 18, 2020. Whether you are a returning sponsor or a first time guest we are grateful for your support of the mission and work of Boston Harbor Now.

Currently we have no plans to cancel or postpone Spectacle on Spectacle. We continue to monitor the evolving situation around COVID-19; the health and safety of our volunteers, staff, and visitors are of paramount importance. We are committed to working with our partners to observe public health guidelines in the public spaces we serve. Should that change we will communicate any and all decisions with our guests, sponsors, and partners immediately.

Boston Harbor Now advocates for the future of our harbor, islands, and waterfront. With the current global health crisis our work is more important than ever. Spectacle on Spectacle is the largest source of annual unrestricted funding for Boston Harbor Now. These funds are critical in both the short and long term as we help over 40,000 children and their families from underserved neighborhoods enjoy the harbor and islands this summer. Additionally, your dollars will help us work closely with our waterfront partners to advise and implement plans that will help protect the health and economy of our waterfront.

Just like you, we cannot wait to get back outside and enjoy the moments of connection and kinship with friends both old and new. We look forward to Spectacle on Spectacle 2020 where together we make memories and connections, while providing critical funding that allows us to positively impact thousands of lives every summer by introducing new visitors from every neighborhood and community in Greater Boston.

If you have questions the staff of Boston Harbor Now continues to work remotely.
