

Dear Friend,

First and foremost we hope you and your loved ones are safe and well. Due to the current health crisis, our Board of Trustees made the difficult decision to not move forward with Spectacle on Spectacle in its current iteration, scheduled for June 18th on Spectacle Island.

Spectacle on Spectacle is the largest source of annual unrestricted funding for Boston Harbor Now. These funds are critical in both the short and long term as we work diligently to plan waterfront community programming for children and their families from underserved neighborhoods. Additionally, these funds allow us to collaborate closely with our waterfront partners to advise and implement plans that will help protect the health and economy of our waterfront.

Each year, Spectacle on Spectacle also provides an opportunity for our supporters to experience the beauty of our Harbor and Islands, while building connections with friends both new and old.

Our Trustees and staff are working together to create a way in which we can still celebrate each other and our Harbor and waterfront in a way that is safe, unique and helps promote the work of Boston Harbor Now.

Our Harbor has a role to play in supporting our healing and the healing of our communities affected by the economic, physical, and emotional impacts of the health crisis, but we need your help. We hope you will consider making a gift to support Boston Harbor Now.

If you have any questions regarding Spectacle on Spectacle or Boston Harbor Now please reach out to Meredith Lynch, Manager of Special Events, mlynch@bostonharbornow.org.

Thank you for your continued commitment to Boston Harbor Now. We have never been more certain about the importance of the Harbor and look forward to reconnecting us as soon as possible!

Warmly,
Kathy Abbott and the Boston Harbor Now team
