### Opportunities for Additional Support

- Choose where your gift makes a difference: Boston Harbor Now's funds for climate resilience and public access  
Your gift to Boston Harbor Now is tax deductible to the full extent of the law. When you give, you support our mission to ensure a more vibrant, welcoming, and resilient Boston Harbor, waterfront, and Islands. Gifts to the *Harbor and Islands Resiliency Fund* or the *Harbor and Islands Education Experience Fund* provide critical support where it is needed most.
- Support our highly anticipated signature events
  - *Spectacle on Spectacle*: Thursday, September 15, 2022
  - *Onboard Awards*: TBD February 2023
- Increase your impact!  
For every \$200, you provide critical support where it is needed most. For example, \$200 = 10 more children visiting the Harbor for free. Or, \$200 enables up to 100 guests to shape designs for a more resilient waterfront at one of our Harbor Use Public Forums.
