Boston Harbor Now presents Spectacle on Spectacle, a celebration of our waterfront and Islands.

Spectacle on Spectacle is Boston Harbor Now's premiere fundraising event, and this year we are proud to honor Cathleen D. and James M. Stone. We are grateful to have the leadership of our event Co-Chairs: Bob Golledge, Meaghan Hooper-Berdik, and Demetriouse Russell.

As lifelong advocates of environmental health and justice everywhere, Cathy and Jim Stone are being honored for their creation of the Stone Living Lab, their decades of philanthropic and environmental leadership locally and nationally, and their longstanding support for the Boston Harbor Islands National and State Park, now observing its 25th and 50th Anniversary years.

We'll return to Spectacle Island at this outdoor event featuring a cruise, delicious food and drinks prepared by local vendors, and a scenic sunset over the Boston skyline. Funds raised allow Boston Harbor Now to ensure that Boston Harbor and its waterfront and Islands are accessible and inclusive and that these special places are properly adapted to the risks of climate change. Spectacle on Spectacle will mark the finale of a year of events celebrating the 25th Anniversary of Boston Harbor Islands as a National Park and 50th Anniversary as a State Park

A NOTE ON COMMUNITY TICKETS

In 2021, Boston Harbor Now was proud to invite more than 50 representatives from community partner organizations and entities to Spectacle on Spectacle to kick off the 25th and 50th Anniversaries of the Boston Harbor Islands National and State Park.

This year, in celebration of the Park Anniversaries, the Boston Harbor Islands Partnership disseminated mini-grants to applicants from local organizations and communities across Massachusetts. At Spectacle on Spectacle this year, Boston Harbor Now is excited to include these mini-grant recipients as guests at the event.

Community tickets are supported by your generous sponsorships and are offered at no cost to the diverse and integral leaders who are welcoming underrepresented communities to the Harbor and Islands. Examples of community partners and grant recipients include AfroDesiaCity, A Trike Called Funk, the Veronica Robles Cultural Center, and South Boston Neighborhood House, among others.
