THE POWER OF NOW:
STEWADING OUR HARBOR, SECURING OUR FUTURE

A transformative celebration on Spectacle Island, bringing together the community to champion climate resilience, environmental justice, and the protection of Boston's waterfront, islands, and parks. This event is more than a celebration—it's a **call to action** in the face of rising coastal threats. **Now is the time** to invest in solutions that ensure Boston's open waters, parks, and shorelines remain vibrant, accessible, and resilient for generations to come.

WHY NOW

Boston's harbor, waterfront, and islands are irreplaceable public assets, providing climate protection, economic growth, and community well-being. But with climate change accelerating, and accessibility inequities increasing, the **time for action is now.**

Your support directly strengthens Boston's harbor, waterfront, and islands through:

- **Coastal Protection** - Safeguarding 50 square miles of blue and green spaces
- **Climate Resilience** - Funding cutting-edge research and sustainability initiatives like the Stone Living Lab and climate education programs
- **Environmental Justice** - Expanding equitable public access, empowering diverse communities, and advocating for inclusive open spaces
- **Future Leadership** - Investing in local programs that cultivate the next generation of environmental stewards
- **Economic & Community Vitality** - Enhancing public spaces that drive tourism, local businesses, the port, and long-term economic sustainability

By supporting this event, sponsors will directly contribute to safeguarding Boston's harbor, waterfront, and islands creating lasting change.

WHY SPONSOR?

Sponsorship of Spectacle on Spectacle is a public statement of leadership and commitment to environmental stewardship. Align with a community-driven event that drives sustainable change, engages passionate local leaders, and reinforces your organization's dedication to protecting Boston's vital resources.
